

Committee on Advancement and Promotion (CAP) Annual Report 2007-2008

Roster:

- Elaine McCracken (Chair)
- Angela Boyd
- Becky Lasswell
- Gary Johnson
- Beverly Ryan

Reviews:

Thirteen people were reviewed this year. CAP compiled a list of names of librarians who might serve on the peer review committees and submitted the names to the AUL for Human Resources. The four CAP Ad Hoc Confidential Review Committees met their deadline in completing all of the packet reviews, and submitting recommendations to Human Resources.

Nyholm Award:

A call for nominations for the 2007 Nyholm Award was issued September 12, 2007. Arrangements for the award were made by the 2006-2007 CAP committee. The award ceremony was held on December 7, 2007 at the UCSB Faculty Club. This year's recipient was Gary Johnson, Head of Access Services.

CAP/WOM Brown Bag:

CAP and WOM co-sponsored a brown bag lunch to help librarians plan for the review process. We invited three speakers to contribute to this program: Patrick Dawson, to address the AUL perspective; Sherry Dedecker, to give a department head perspective; and Eunice Schroeder, to provide an accomplished, and experienced librarian's viewpoint. Administrators were asked to discuss what makes a strong review packet, whereas Eunice focused on ways to organize and present one's accomplishments. After the brown bag, a request was made for a written Academic Review Tip Guide. This guide was completed and posted to LAUC-SB's website homepage and to the "Developing Your Career" section of the "Information for New LAUC Members" page.
