Reviews

Between April 10 and May 2, two CAP committees reviewed and submitted recommendations for eight librarians (1 Assistant, 3 Associate, 4 Librarians). All were merit reviews, no promotions. Upon request of the AUL for Human Resources (HR), the chair compiled a list of 15 librarians to be considered for service on the peer review committees. The list was submitted to HR on April 1. According to HR, on May 12, the packets were sent to the University Librarian for final recommendations.

Nyholm Award

The 2007-2008 Nyholm Committee handled the arrangements (call for nominations, submitting nominations to HR, Faculty Club arrangements) for this year's Nyholm Award. The ceremony was held on January 22, 2009 at the Faculty Club. Anne Barnhart was the recipient.

CAP/WOM Brown Bag

The annual CAP/WOM review brown bag took place on December 8, 2007. The event is an opportunity for librarians up for review to get guidance and practical advice from their peers about the review process, in particular, completing the factual resume.

The chair attended the annual HR sponsored information session on academic review. It was held on November 20, 2008.
